Mesa Slide

Privacy. Comfort. Cleanability.

An impromptu divider providing ultimate adaptability when space and division are needed.

Our Mesa Slide divider inspires confidence in the workplace by creating a simple yet effective partition between workstations and your neighbor. Add distinctive design and confidence to your office landscape with the Mesa Slide divider.

Shown on 30" deep work surface

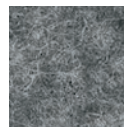

Features

- Create privacy and security by simply sliding the Mesa Slide divider onto the desk surface.
- Transfer your protective barrier by grabbing the slide and taking it with you to the cafeteria or a meeting.
- Acoustical properties allow for noise reduction in an open office floor plan.
- Mesa dividers can be safely cleaned and disinfected.
